Announcement

Buckland Hall Farms sale catalog lists more females bred to an International Grand Champion bull than any other within the knowledge of the writer. And what a bull! He is now five years of age and when I last saw him, a few weeks ago, looked good enough and fit enough to step into another International and come out a champion. It is because his flesh is a natural covering that grows on him without forced feeding. He is always smooth and mellow. He is ideal in type, and splendid in character. His sons and daughters inherit their sire's great characteristics. These are the reasons why no one desiring to commence or extend breeding operations should fail to attend and avail himself of the opportunity to make purchases of these highly bred and typically formed females, carrying the service or with calf at foot by the International Grand Champion Lespedeza Collynie.

The bulls listed are just as desirable as the females and consist of tried sires whose get, to be seen on the farm and in the sale, are proof of exceptional worth; and prospects for the show ring or breeding paddock the equal of which can scarce be found in the land.

A purchase at Buckland Hall Farms on April 28th means a sure step in the direction of breed progress, breed building and profitable industry.—Will Johnson of The Shorthorn World.

Terms and Conditions

PEDIGREES—A certificate of registry and transfer in the American Shorthorn Herd Book will be furnished for every animal.

TERMS—Cash, unless other arrangements are made before the sale. All stock at the risk of the purchaser, after the hammer falls, but will be loaded on cars according to purchaser's instructions, without expense.

GUARANTEE—It is not usually customary to guarantee show cattle and young animals under breeding age, but we stand back of our cattle when properly handled, making good any animal that proves barren, by furnishing another as near the same value as possible. All have passed the tuberculin test and are sold subject to sixty-day re-test by Federal or State Veterinarian.

Mail bids must be sent to the Auctioneer, Col. Carey M. Jones, or Messrs. George E. Martin, Breeder's Gazette, or Will Johnson, The Shorthorn World.

BUCKLAND HALL FARM is situated about six miles from Haymarket, Va., (its railroad station) on the Harrisonburg Branch of the Southern Railroad, 42 miles from Washington, D. C. The Post Office address is Nokesville, Va., and Telegraph and Telephone, Warrenton, Va.

Besides the excellent train service from the North, South and West, there is a good motor road from Washington, D. C.

SPECIAL TRAIN SERVICE—A special train will leave Washington, D. C., at about 8 a. m., on the day of the sale upon arrival at Washington of the Penn., and B. & O. trains from the West. Those attending the sale from the South, may connect with special train from Washington, at Manassas.
